To whom it may concern,
 Just a brief history on my
 son "William F. Davis III"
 Born Nov 7 - 1960 in West
 Chester, Pa. Delivered by
 natural birth. Told later,
 should have had a C. Section.
 Difficult birth. Did not talk
 by age 4. Pointed to what
 he wanted such as a drink
 of water. Told by pediatrician,
 not to give. Made him ask.
 Did not do well in school
 from Kindergarten on. I asked
 over and over not to pass
 him to next grades, but was
 always told "he will be ok".
 Displayed constant acting out
 at home. Psychological
 requested by me at age 8?
 Psychologist stated I was
 verbally retarded, which
 created his frustration.
 Did not overcome
 down through the years.
 Should have been on meds,
 but my finances were small.
 I hope this provides some
 insight.

Respectfully,
 W.F.D.S.

United States District Court

Dear Judge, Sue L. Robinson - Case-Civ no. 04-209 - SLR

Defendant's Lawyer Patrick G. Rock gave you request for admission. they gave you a blank request for admission or production of documents trying to show I did not fill out the documents. ASK the defendant's lawyer where is the document that I fill out. why are the defendant lawyer playing game with the Court and lying to the Court. when I fill out the request for admission I did not have time to get copies done. because I had 10 day to fill out the paper.

the request for admission most of the question stated "I" or I requested treatment. I, William F. Davis III did not write the question. I wrote to my ability the responses.

Plaintiff William F. Davis III did not receive a motion to Compel. I receive notice of deposition. I receive discovery motion. I receive motion for Sanctions, and motion for failure to comply with Court Order within 10 days and I fill out the document. I would be a fool not to fill out the document when the Court Order me to do so before 10-days. I would not have my Case dismissed because I did not comply with a Court Order because I been through a lot of pain because of my hernia problem and Surgery.

the Court order me to Submit discovery and application by motion I did not understand what to do.

I have Jail house lawyer to help me with my legal work and I had to spend my legal paper a lot of time. I ASK the Court for motion for appointment of Counsel.

basis that I has several debilitating mental disorders legal issues is some time is complex for me I did not understand.

1. the plaintiff's Ability to present my own Case with out legal help.

2. the Capacity to retain Counsel on my own behalf.

3. the difficulty of the particular legal issues.

the defendant's had lawyers but I do not have lawyer.

I made some mistake in my legal work. the defendant's lawyer are trying to get my Case dismiss.

I did my best and Ability. the defendant's lawyer Patrick G. Roach is trying to get my Case dismiss.

now the defendant lawyer is trying to settling the Case.

I do not have a lawyer. why all this confusion from the defendant's lawyer.

I fill out a motion for request for production of documents I did not get from the defendant lawyer within 30-days.

Respectfully submitted,
William L. Davis III
